

Growing Into Myself...

A Little Something To Know...

This is a little "thinking out loud" video.

Ever feel like you don't know where you fit in the world? It often has little to do with "the world" or anything outside yourself. Most likely it's that you're still growing into YOURSELF.

So when does this growing into you happen? Is it an age, a time, do you have to earn merit badges? None of that. You only need to choose it and you can make that choice anytime.

A Little Something To Journal About...

So is that time now? If not, why not? What are you telling yourself has to happen before you can own who you really are? What if it's not when your richer or older, or thinner or smarter? What would it look like for you if it were...now?
