

# *Amazing Flowers To Make You Smile And Then Smile Again*

## *♡ A Little Something To Know...*

*Some days we just need something to give us a smile and make us sigh. Sometimes we need to have no opinion except, "Awww...that's pretty." This is that kind of video. Enjoy.*

## *♡ A Little Something To Journal About...*

*Simple beauty is something we crave but often pass by without notice. Today...notice. Notice flowers, and butterflies, and how the trees are changing. Notice how the sun shines through your bedroom window and how you feel standing in the breeze. Journal about the simple things in your day. It is these simple things that make you feel alive and remind you of your place in all of it.*
